A EUROPEAN FORUM FOR INTERNAL AUDIT, BANKING REGULATION AND SUPERVISION

17 & 18 SEPTEMBER 2019 | LUXEMBOURG

With the participation of
EBA | ECB

ECIIA is the Confederation of Institutes of Internal Auditing, representing 47.000 internal auditors in Europe. Within ECIIA the Banking Committee is representing the voice of internal auditors from the Banking Sector in Europe and made of representatives from big European Banks.

ECIIA has invited the Chief Audit Executives (and their Deputy) of ECB directly supervised banks to join us for the second edition of the European Forum with the European Banking Regulator and Supervisor.

This event will precede the ECIIA conference 2019: Embrace, Change and Innovation on Internal Audit.

The event will take place in Luxembourg and start on the evening of Tuesday 17 September with a welcome reception, followed on Wednesday 18 September by the Forum. It will be an opportunity to share experiences and common challenges of the internal audit profession in the banking sector and to network with European peers.

You will find below the draft agenda and we would like to confirm your participation to this event and eventually the one of another EBA representative (for the regulatory outlook).

Would you need any further details, please contact our Secretary General: P Vandebussche (p.vandenbussche@eciia.eu).

We thank you in advance for your support and look forward to meeting you in Luxembourg.
